Arabian Stallion

schleich HORSE CLUB Arabian Stallion:

The spirited Arabian Stallion looks so sleek. His coat is black as night. There are only a few light strands in his tail and on his forehead he has a delicate white stripe. When he trots elegantly across the paddock, it's obvious why he is so popular with horse lovers. He is simply so graceful.

When the black Arabian Stallion stands next to the snow white Arabian Mare (sold separately), the two make a stunning pair. But the beautiful thoroughbred also cuts a great figure on his own. With his long, graceful legs and slender neck, he looks simply breathtaking. But he is also really sporty and loves nothing more than a good horse race. His temperament is a perfect match: He is vivacious and outgoing, but also quite sensitive.
