OF FILING SOLUTIONS

PAPERFLOW

Contemporary and welcoming office layouts that perfectly complement your customer's individual style.

Because we work better in a nice environment ...
The furniture has been developed as a means of embellishing, even communicating, the colours of a company.

Design, function and customization - this is what Paperflow brings to businesses today.
And a big dose of innovation!
Our new easyOffice® cupboard is a revolution.

The products are simple: simple to supply, store, deliver and assemble, where everything has been thought out to make life easier for you.

In this catalogue, we have focused all of our best efforts to satisfy our customers in the office equipment and office organisation.

A great breakthrough for everyone!

Pascal HOSSAERT
Chairman

ICONS AND MEANING
