

Door frame assembly tools

Now even easier and more flexible!

Simply better.

Door frame clamp TU optimized now to insert the door frame more easily

- due to removable clamping bracket with increased clamping surfaces and removable brackets

Door frame brace extension TUX for extra-wide doors to be installed

- accessories to increase the opening width of the TU door frame brace

Precision work

- due to telescopic square anodised aluminium tubing with mm scale and adjusting screw

For sensitive door frames for frame depths of 6 to 13 cm or 13 to 30 cm

- due to cross-shaped pressure plate with interchangeable clamping elements

TU-TRAGE includes 6 door frame clamps in a nylon wheeled case

- for safe and dustfree storage
- for easy transport
- for stowing further products of the BESSEY door frame assembly system
