Models may vary from the image shown

The best STREAM ever as a wireless premium version with charging function.

The STREAM DESKTOP RECHARGE is the premium version of the successful STREAM DESKTOP. The design of the wireless set looks confusingly similar, yet it is worth a closer look: New features include rechargeable and replaceable batteries. Another new features is that the wireless mouse now also has AES encryption and not just the keyboard.

The STREAM DESKTOP RECHARGE is based on our very own SX scissor technology. The unmistakable CHERRY writing experience is created by the precise keystroke of the quiet PC keyboard. This lays the foundation for a productive working day with low noise levels.

The 6-key mouse, which also has extremely quiet buttons, is an excellent match. The size and shape are equally suitable for large and small hands. The resolution and therefore also the speed can be adjusted in 3 steps via a DPI switch.

If you value ease of use, STREAM DESKTOP RECHARGE is right for you. The computer mouse and keyboard can be recharged even while you continue to work. The USB-C cable and the high-quality GP ReCyko+ rechargeable batteries are included in delivery. Unlike most keyboard-mouse sets on the market, there are no permanently installed lithium cells in this desktop. The NiMH batteries used here can be easily exchanged if necessary. Let's be honest: A CHERRY keyboard usually lasts longer than any rechargeable battery.

Encryption is a very important factor if you work with sensitive data. This set is equipped with AES-128 (Advanced Encryption Standard). Keystrokes and mouse movements

are encrypted 128-bit CCM encryption before they are transmitted. The status LEDs integrated in the keys are also highly practical.

You can attain a maximum of flexibility with the optional CHERRY KEYS software. This application enables you to configure your keyboard and mouse according to your individual requirements. Download on www.cherry.de/keys is free of charge.

As with all members of the STREAM family, The STREAM DESKTOP RECHARGE is reinforced with a metal plate for maximum stability. The keyboard has a long range and also has eight rubber pads and rubberized feet on the back. The mouse is of similar quality. It fits stably and securely in your hand and yet glides effortlessly across the table.

The desktop set bears the “Safety Tested” GS seal, which means it complies with all relevant European directives and regulations on safety and ergonomics. The “Blue Angel” award means that the desktop set stands out for those wishing to make a sustainable and responsible purchase.

The new wireless desktop set from CHERRY combines all the popular features of the million-selling STREAM KEYBOARD and expands them with wireless technology and a charging concept. Are you looking for a solid, resilient and durable companion for professional or private use? Then the STREAM DESKTOP RECHARGE is the right choice for you.

Decisive advantages

Maximum productivity:

- Super silent keystroke
- CHERRY SX scissor mechanism
- Mouse buttons with a quiet click
- 3-level adjustable mouse sensor with up to 2,400 dpi

Highest quality:

- Rubberized feet for perfect slip resistance
- Integrated metal plate for maximum torsional rigidity
- Blue Angel ecolabel
- Durable key labels
- Keyboard and mouse with AES-128 encryption

Optimum operating comfort:

- NiMH batteries rechargeable via USB-C (GP ReCyko+) in mouse and keyboard
- Status LEDs show low residual battery charge, charging status and mouse resolution
- Additional status LEDs for the CAPS LOCK, NUM and SCROLL keys
- Keyboard with 10 office & multimedia keys
- 6 mouse buttons and scroll wheel

Very latest design:

- Low profile
- GS certificate (full size layout)

Technical specifications

Layout (country or language):

Depends on product, see "Models" table

Housing color:

Depends on product, see "Models" table

Weight (product):

Keyboard: approx. 905 g (incl. battery)

Mouse: approx. 119 g (incl. battery)

Receiver: approx. 3 g

Charging cable: approx. 25 g

Total weight (with packaging):

approx. 1,393 g

Transmission range:

approx. 10 m

Frequency range:

2,400 GHz - 2,4835 GHz

Transmission power:

Max. 10 mW (EIRP)

Storage temperature:

-20 °C to 60 °C, max. 85% humidity

Operating temperature:

0 °C to 40 °C, max. 85% humidity

Power input:

Keyboard: max. 20 mA

Mouse: max. 20 mA

Receiver: max. 20 mA

Connection:

USB

Reliability:

MTBF > 80,000 hours

Product approvals:

- CE
- FCC
- Blue Angel (only for keyboard)
- VDE GS
- Windows Hardware Compatibility
- UKCA

System requirements:

USB port (type A)

Windows 7, 8, 10, 11

Scope of delivery:

- Wireless mouse/keyboard set
- Nano USB receiver
- Operating instructions
- USB C charging cable
- NiMH rechargeable batteries (GP ReCyko+):
Keyboard (2 x AAA) and mouse (1 x AA).
- Nano USB receiver
- Extended manufacturer warranty

Technical specifications (continued)

Product dimensions:

Keyboard: approx. 462.2 x 162.2 x 23.3 mm (feet folded in)
approx. 462.2 x 165.8 x 34.1 mm (feet folded out)
Mouse: approx. 116 x 64.7 x 37.7 mm
Receiver: approx. 19 x 14.5 x 6.5 mm

Packaging dimensions:

approx. 560 x 186 x 48 mm

Mouse:

- Design: Symmetrical
- Scanning: optical (sensor: Pixart)
- Resolution: 1,000 dpi / 1,600 dpi / 2,400 dpi (switchable).
- Number of keys: 6
- Button design: Silent click
- Function keys: Right-click, left-click, scroll wheel; browser forward; browser back, DPI switching
- Mouse wheel design: Scroll wheel with key function
- Status display: DPI setting, battery status

Keyboard:

- Full-size layout with numeric keypad
- Key technology: SX
- Service life of standard key > 20 million strokes
- 8 anti-slip feet (18 x 4 mm)
- Status display: Caps lock, Scroll and Num Lock key, battery status (via LED in Scroll key)
- Number of additional keys: 10
- Additional key functions: Volume down, sound on/off, volume up, previous track, start/pause, next track, lock PC, browser, e-mail program, calculator

Packaging unit;

Number of products in outer package 10

Number of outer packages per pallet 12

Warranty

We put a lot of dedication and hard work into the development of our products and we are proud of their quality. This is why, in addition to the statutory guarantee mentioned in the operating instructions, we are granting an expanded manufacturer's guarantee that is subject to the conditions stated below.

For the first two years after delivery, the statutory warranty applies. In the third year after delivery, CHERRY voluntarily grants an additional warranty according to the following conditions ("extended warranty"). In the event of a defect, please contact the seller of your CHERRY product. Do not carry out any repairs on your own and do not open the product. There is no warranty if unauthorized changes to the product cause a defect.

Conditions for the extended warranty

In the case of a defect after the first 2 years after delivery of the CHERRY product, CHERRY grants its customers for the additional period of one year the right to assert claims for cure, i.e. demand that the defect is remedied or a thing free of defects is supplied. The extended warranty is to be asserted against the seller of the CHERRY product upon presentation of the original invoice, proof of purchase or a comparable proof of the time of purchase. CHERRY, and the seller of the CHERRY product, where applicable, shall remedy the defect in the event the customer has justified claims for cure under the terms of the extended warranty. Excluded from the extended warranty are damages caused by improper use, in particular by the effects of chemical substances, other damages caused by external influences, as well as normal wear and tear and optical changes, in particular discoloration or abrasion of shiny areas. Also excluded from the extended warranty are accessories and other parts which are not an integral part of the purchased item.

Errors, technical changes and delivery possibilities excepted.
Technical information refers only to the specifications of the products. Features may differ from the information provided.
