

Delock Woven Sleeve self-closing heat-resistant 2 m x 10 mm blue

Description

This woven sleeve by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage. It consists of special continuous fibres (monofilament and multifilament) and thus offers increased flame resistance and abrasion resistance.

Self-closing

The woven sleeve closes automatically after adding the cables. The cables can be added or removed multiple times.

Cuttable

A hot cutting tool can help to shorten the length individually.

Ø 10 mm / 2 m

Specification

- Length: ca. 2 m
- Diameter: ca. 10 mm
- Bundle diameter: max. 12 mm
- Environmental temperature: -50 °C ~ 150 °C
- Reusable
- Material: polyester monofilament and multifilament
- Fire-resistance rating: 94V-2
- Colour: blue

Item no. 20876

EAN: 4043619208760

Country of origin: China

Package: Zip poly bag

Package content

- Woven sleeve
