

# Delock RJ45 Network Cable with double bend protection Cat.6A UTP Slim 5 m black

## Description

This network cable by Delock can be used to connect different networking devices, e.g. a NIC to a switch or a patch panel.

### Slim patch cable

The thin patch cables are characterised by their small cable diameter and enable flexible and space-saving cabling in the network cabinet.

### Additional protection through bend protection

Due to the dual spring protect strain relief, the cable is secured and protected from excessive bending.
