

19" 1U Cable Management Routing Panel with 2 openings metal / plastic black

Description

This routing panel 19 inch by Delock is suitable for installation in a 19" network cabinet.

Proper laying of cables

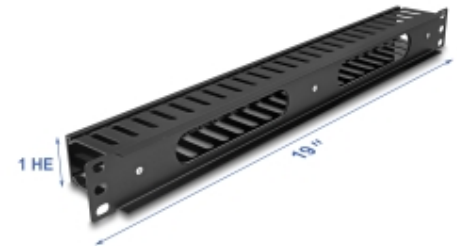

The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

Removable cover for optimal cable management

The removable front panel hides open cables and protects them from damage.

With cable entry

On the rear side, the patch panel is equipped with two openings to allow easy cable access and orderly cable routing.

Item no. 81555

EAN: 4043619815555

Country of origin: China

Package: Box
