

Delock USB Type-C™ Charging Pad for Apple Watch white magnetic

Description

This charging pad by Delock can be used **for inductive charging of an Apple Watch**. The magnetic charging pad helps to place the watch on the right position easily.

Useful companion

Due to its compact size this charging pad is the **ideal companion for on the go** e.g. on business trips or on holidays, since it can be easily stowed away and avoiding unnecessary cable clutter with its short cable. The **connecting cable acts also as loop for attaching** to a key ring or similar.
