

InLine® Universal Cleaning Wipes wet/dry for headphones and monitors

* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 43214A

Eco-friendly special cleaning wipes for headphones, TFT, laptop, flat screen, PDA, LCD, anti-glare filters and all coated and uncoated glass surfaces (such as mirrors, microfilm readers, overhead projectors and lenses)

- Completely free of butylglycol and methanol alcohol
- Cleans without streaks
- Gently and thoroughly removes dust and dirt
- Antistatic effect
- Easy to use: First use wet "1", then dry with "2".
- If necessary, wipe off larger dirt residues at fine inaccessible places with the enclosed swabs (foam sticks) in between.
- Cleaning once a week is recommended.

Delivery content: 9x Cleaning wipes wet/dry, 3x swabs
