MediaRange USB-A Ethernet Adapter with RJ45 Port, 10/100/1000 Mbps, 20cm, Black

Seamless Connectivity for Every Setup

MediaRange offers a comprehensive selection of high-quality cables and converters, designed to meet the needs of both professional and everyday users. Whether you're looking for a reliable adapter, a converter or durable connectivity accessories, our products ensure seamless integration and performance.

From office workstations to home entertainment systems, our cables and converters provide clear, stable signal conversion, support resolutions up to 3.840 x 2.160 @ 60 Hz, and they are ready for immediate use thanks to Plug & Play. Experience smooth video and Audio output and dependable performance for all your display needs.

Reliable USB-A to RJ45 Connection for Fast Ethernet Networking

Our USB-A to RJ45 Ethernet Adapter ensures seamless wired network connectivity for devices with USB Type-A ports. Designed for performance and portability, this compact adapter supports data transfer rates up to 1000 MB/s, making it an ideal choice for both professional and home use.

Featuring a USB Type-A plug to RJ45 network socket, the 20cm black cable offers flexibility and a strong, stable link between your device and the network. With full Plug & Play compatibility, no additional drivers are required for Windows, macOS, or Linux—simply plug it in and connect to the network instantly.

Whether for business applications, streaming, or working on the go, this adapter ensures reliable, high-speed internet connectivity in any environment.

Key Features:

- **High transfer speed:** Fast and stable 10/100/1000 MB/s network connectivity
- **Plug & Play:** No drivers required; compatible with Windows, macOS, and Linux
- **Compact & Lightweight:** Space-saving design for portable or desktop use
- **Durable Design:** Robust and sleek black housing ensures long-lasting performance

FEATURES

Technical Specs:

- **Model:** USB Type-A to RJ45 Network Adapter
- **Connection:** USB Type-A plug to RJ45 network socket
- **Data Transfer Rate:** 10/100/1000 MB/s
- **Compatibility:** Windows, macOS, Linux (Plug & Play)
- **Cable Length:** 20cm
- **Dimensions:** 60 x 30 x 20 mm
- **Weight:** ± 20g
- **Color:** Black

APPLICATIONS

Common Use Cases:

- **Office & Business:** Stable, fast internet for presentations, conferencing, and network access
- **Home & General Use:** Ideal for devices without Ethernet ports, perfect for streaming and downloads
- **Remote & Mobile Work:** Lightweight, compact solution for reliable connectivity anywhere
