LED indicator

Blaze B05 are designed with a LED indicator by which users can easily recognize the transferring status with just a simple glance.

Brighten Up · Speed Up

Blaze B05 come in the modern look with the stylish and stream shape design and various vivid color schemes including classic black, navy blue and sweet pink

Simply a thumb needed, easily everything completed

The intelligent adoption of the "retractable USB connector" promises users an easier and more efficient way for daily use by which users just need to operate with one thumb only.

USB 3.0 Ultra Fast Transfer Rate

Outstanding read/write speed is coupled with the latest USB 3.0 interface feature a 5Gb/s bandwidth which is 10x the bandwidth of a USB 2.0 interface. It saves users precious time backing up to and from the hard drive when transferring mass data files.

Features

- One-handed operation with the intelligent design of retractable USB connector.
- Special cap-less design, no more worries about the loss of drive caps.
- LED indicator, easier for users to recognize the transferring status.
- Matte surface, able to avoid scratches, fingerprint and dirt.
- SP Widget free download software, providing 7 major back-up and Secure functions.
