

MASTERFRAME

360 STAGE LCD

MasterFrame 360 STAGE LCD is designed for creators and enthusiasts who demand both performance and aesthetics.

The integrated front-facing LCD screen transforms the chassis into a visual showcase—ideal for displaying your favorite content or media that complements the stage-inspired theme.

Taking cues from concert stages, the LCD acts as a visual centerpiece, perfectly aligned with the chassis design.

Whether you're building for performance or presentation, the STAGE LCD offers the space and flexibility to bring your vision to life.

FEATURES

Front Display Panel for Personal Expression

An integrated front-facing LCD screen transforms the build from a static showcase into a visual platform for personal expression.

Designed to complement collectible displays such as figures and themed setups, the screen allows you to curate content that enhances your aesthetic story.

With its open-frame design, the chassis offers complete freedom to position and showcase your items without restriction—turning your build into a stage that's uniquely yours.

Massive Cooling Compatibility

To ensure exceptional thermal performance, the case supports fan sizes ranging from 120 mm to 200 mm, with space for up to twelve 120 mm fans—six on the top and six on the bottom. It also supports radiators up to 360 mm, meeting the cooling demands of high-end custom liquid cooling setups.

At the front, the integrated STAGE LCD offers two distinct modes:

- **Extended Display Mode** – Functions as a true secondary monitor to extend your desktop or showcase any live system content.
- **Custom Playback Mode** – Includes 2 preloaded animation effects designed to complement figure and collectible displays. Users can also upload personalized content via MicroSD card (JPG and MP4 formats) to create a uniquely immersive visual experience.

Compatible with Standard and BTF Motherboards

Compatible with Mini-ITX, Micro-ATX, and ATX motherboards, including BTF (back-connect) layouts within the ATX form factor.

Features 110 mm of cable routing clearance for a clean and clutter-free showcase.

PCIe 5.0 Riser Cable Included

Includes a premium PCIe 5.0 riser cable that enables vertical GPU mounting providing both next-gen performance and an elevated presentation right out of the box.

Wide Component Compatibility

Accommodates up to 430 mm GPUs and 210 mm PSUs built to handle flagship components without compromise.

Next-Gen Connectivity at Your Fingertips

Features USB 4.0 Gen 2x2 Type-C (up to 20G) and 2x USB 3.2 Gen 1 Type-A ports (up to 5G), providing ultra-fast data transfer and future-ready accessibility.

PRODUCT SPECIFICATIONS

Product Information	Product Name	MASTERFRAME 360 STAGE LCD
	Series	MASTERFRAME Series
	Color	Black
	Model Number	MF360-KHNN-S02
Materials	Exterior	SGCC
	Side Panel (Left / Right)	TG / TG
Dimension (L x W x H)	Incl. Protrusions	549 x 291 x 581 mm
	Excl. Protrusions	511 x 291 x 581 mm
	Volume (w/o panel, protrusions and feet)	86 L
	Volume (with panel, protrusions and feet)	93 L
Hardware support	Motherboard Support	Mini-ITX, Micro-ATX, ATX, BTF (ATX)
	Power Supply Support	ATX
	PCI Expansion Slots	3.5
Drive bay support	3.5" Drive Bays	0
	2.5" / 3.5" Drive Bays (or SSD)	1x HDD or 2x SSD
Preinstalled Drive bay	3.5" Drive Bay (remark Toolfree quantity) / 2.5" Drive Bay(or SSD)(remark Toolfree quantity)	1x HDD or 2x SSD
I/O Panel	USB Ports	2x USB 3.2 Gen 1 Type-A 5G 1x USB 4.0 Gen 2x2 Type-C 20G
	Audio In / Out	1x 3.5mm Headset Jack (Audio+Mic)
Fans Support	Top	6x 120mm, 2x 140mm, 2x 180mm, 2x 200mm
	Bottom	6x 120mm, 2x 140mm, 2x 180mm, 2x 200mm
Radiator Support	Top	120 / 140 / 240 / 280 / 360 mm (maximum thickness clearance 75mm)
	Bottom	120 / 140 / 240 / 280 / 360 mm (maximum thickness clearance 75mm)
Dust Filters	Removable Filters	Mesh Only
Other electronic components		1x 15.6-inch FHD Screen / 1x PCI-e 5.0 Riser Cable / 2x ARGB spotlight
Maximum Dimensions for Front Collectibles Display (H x W x D)		328 x 290 x 110 mm
DIY tank & Pump support		Yes (Left side)
Toolbox		Yes
Clearances	CPU Cooler	145 mm
	Power Supply	210 mm
	Graphics Card	430 mm
Cable Routing	Behind MB Tray	110 mm
Warranty		2 Years
