EAN:

5
Years
Warranty

Double
Quality
Tested

Sandberg Jumpstarter Powerbank 10000 is a versatile battery, which can help you to start your car, boat, garden tractor or another gasoline- or diesel engine with electric starter. If the engine battery is dead, the jumpstarter can supply enough power to get the engine started. Furthermore, you get a strong powerbank for all your mobile devices, such as smartphones and tablets. You will also get a strong torch to help you out of the dark in any situation. Starter cables included.
