PORTLAND Hybrid Case Lenovo Tab P11 2nd Gen - Black

The PORTLAND Hybrid Case has a sleek design and is perfect for everyday use. It's designed to keep your tablet safe from drops and scratches. The raised sides on both the front and around the camera hole offer better drop protection for the camera and the front glass. All buttons are protected but can easily be operated, as well as there is easy access to all ports. The cover is made of two layers: a TPU inner case with an anti-slip design and a hard PC outer shell. The foldable kickstand makes it easy to watch videos or take calls hands-free. This case is perfect for those who want a rugged tablet case that doesn't compromise on style.
