

# FSM150

## UNIVERSAL FLAT WALL MOUNT

SCREENS 32"-55"

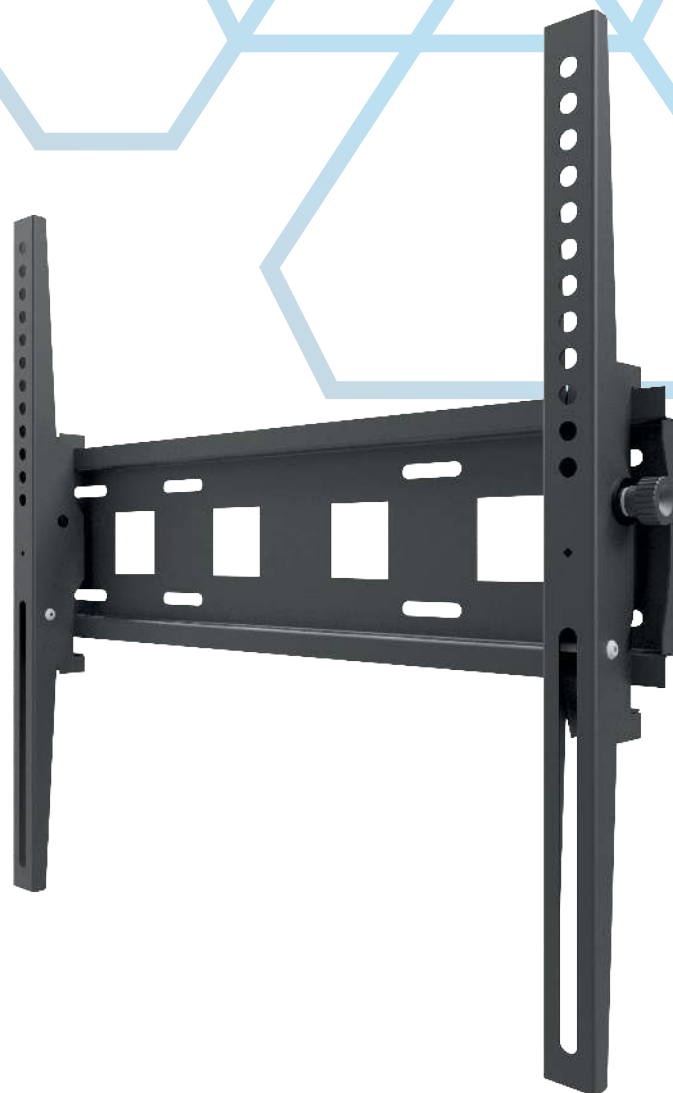

The FSM150 belongs to a series of practical and extremely functional wall mounts. Designed to fix the screen on the wall in a very solid manner. FSM150 is a solid flat wall mount that provides extraordinary functionality and is made in the spirit of minimalism. Fixing the mount is user friendly. FSM150 is very easy to use and suitable for all types of wall surfaces. What is important, it is dedicated both as an independent product as well as a component for other constructions, including conference trolleys or ceiling brackets. The mount provides screen drop protection. At the same time FSM150 is of solid finish and modern design, which makes it a perfect choice for conference rooms, waiting rooms or public utility spaces.

### FEATURES

- Screen protection against falling
- Robust design to ensure load capacity up to 15 kg
- Screen mounting screws included
- Lateral adjustment of the screen once mounted on the wall plate
- Suitable for installation on concrete, plaster and wooden walls
- Minimalist design and functionality
- Simple and quick installation
- Modern design
