

SAW36-240-1500 Power Supply

A reliable 24 V / 1.5 A (36 W) power supply, now available separately – in case you need a backup or a replacement. We offer EU, US, UK, AU, and India plug types. This is the same adapter included with popular MikroTik models such as L0009, RB4011, RB5009, and many others.
