

Logitech Logi Dock Flex

Brand : Logitech

Product code: 939-002180

Product name : Logi Dock Flex

- Logi Dock Flex is a managed docking station that enables an easier desk booking experience and a better way to manage shared desks across locations
 - Easily combine Logi Dock Flex with Microsoft Teams or Zoom Workspace Reservation or Logitech's own desk booking service for a simple and consistent user experience
 - Logi Dock Flex includes ports for 6 USB peripherals, dual 4K displays, Gigabit Ethernet, and up to 100w of power, with no special drivers required
 - By using a single USB-C cable, employees easily connect their laptops and gain immediate access to all desk peripherals
 - The included cable management is designed to keep employees connected, day after day. Locked-in cables help you make sure desk peripherals aren't lost or unplugged
 - Monitor and manage Logi Dock Flex remotely using compatible software such as Logitech Sync, Zoom Device Management, or Microsoft Teams Admin Center
- Logi Dock Flex
