Collectibles Unicorn Shooting Star

[schleich Collectibles Unicorn Shooting Star:](#)

The Collectible Unicorn is from the Universe family. With its glittery mane and tail, it looks simply adorable. It has a pretty tattoo on its flank. Glitter dust has also collected on its hooves. Really special: it is a Collectible Unicorn. Together with the other unicorns, it lives in the most beautiful herd of BAYALA®. We are sure the unicorns will also love to join in the fun in playroom.

The Collectible Unicorn from the Universe family can hardly wait: it wants to join in the fun! It stretches its pretty head with the brightly colored glittery mane and looks curiously at what's going on. Meanwhile, the other unicorns are already jumping around happily. Maybe it should join in? At a fast canter, drumming its glittery hooves, it runs across the meadow to its friends. It loves to make new friends, gifting them with a pretty poster of itself. It will look perfect on the playroom wall! Doesn't the herd look wonderful?
