- Stability and durability
- Attention to detail

Liebherr L566 Wheel-loader, metal/plastic

[Siku Liebherr L566 Wheel-loader Wheel loader model Preassembled 1:50:](#)

Allrounder on the construction site - Wheel loaders are allrounders. The articulated loader is at work on the construction site, for road building, in mixing plants, in quarries, and in tunnel building. The Liebherr L 556 is particularly powerful, efficient, and versatile. The front loader with the huge shovel can be moved up and down, and has the power to clear things out of the way. The wheel loader in Liebherr design runs on rubberised tyres. A powerful, economical engine growls under the huge bonnet, which can be opened.

Siku Liebherr L566 Wheel-loader. Product type: Wheel loader model, Construction type: Preassembled, Scale: 1:50. Width: 171 mm, Depth: 55 mm, Height: 73 mm. Package width: 72 mm, Package depth: 210 mm, Package height: 115 mm
