12mm LetraTAG Iron-on

DYMO 12mm LetraTAG Iron-on label-making tape:

To be used exclusively with LetraTag models, this nylon-coated tape is engineered to be printed easily, then removed and ironed onto your kids' jeans, towels, sweaters, gloves or jackets - so there's no reason to sew.

No more sewing labels into clothing, towels or backpacks. Simply print the label, then iron it, right onto the fabric.

Compatible with all LetraTag label makers.
