 - In-line control for increasing, decreasing, and muting the user's volume
 - Additional control for muting the audio output
 - No software or drivers required
 - 2 year warranty
- USB Type A to Jabra Quick Disconnect Headset Adapter

Lindy USB Type A to Jabra Quick Disconnect Headset Adapter:

QD adapters are small, reliable solutions for connecting a variety of headsets using a quick disconnect connection to a USB port of a PC or laptop. Quick disconnect allows the user to leave and re-enter a call without removing the headset or ending the call.

The Lindy USB Type A to Quick Disconnect Adapter is a neat solution for connecting a Jabra Quick Disconnect headset to a PC or laptop. This small adapter is a useful solution in remote working setups or for larger scale use in offices and call centres.

A simple in-line control allows the user to increase, decrease and mute their volume, or alternatively mute the audio output for seamless use within video conferencing and online meetings.
