## Easy smart lighting

Upgrade your home security with the Hue Smart Chime. Get sound alerts when someone rings the doorbell, no matter where you are. It's super easy to set up – just plug it in and choose your favourite tune. It works perfectly with your existing Philips Hue system, which helps keep your home safe, day and night.

### Hear it, anywhere

- Get sound alerts, at any time with the Smart Chime. Place Chimes throughout your home to ensure that you never miss a visitor, no matter where you are.

### Deter unwanted visitors with sound and light

- Trigger a loud sound and light alarm manually or automatically when your Hue Secure system is armed.

### Ultimate control in one app (Hue smart chime and Doorbell bundle)

- Manage your doorbell, chime and Philips Hue lights all from the Hue app – no need for multiple apps. Get instant notifications, customise settings and stay connected from anywhere.

**Tailor it to your routine**

- Choose your ringtone, adjust volume levels, set quiet hours or change sounds based on the time of day. Mute or unmute easily with the local control button.

**Simple setup**

- Plugs into any socket for instant use-no wires, no hassle.

**Doorbell and Chime. Stronger together**

- Pair the Chime with a Hue video doorbell for a smarter to get sound alerts throughout your home, hands-free control and instant awareness when someone's at your door.

**Seamless integration with your Hue ecosystem**

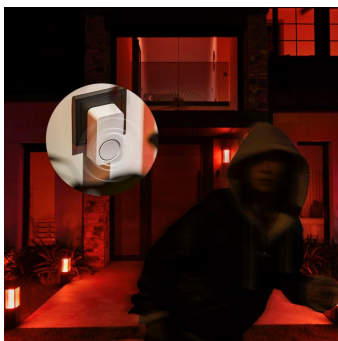

- The Chime works with all Secure products-including Secure cameras and indoor motion sensors. When motion is detected anywhere, you'll hear an instant sound alerts-so you're aware of what's happening in your home.
