

Lenovo 42D0501 network card Internal Fiber 8704 Mbit/s

Brand : Lenovo  
Product code: 42D0501  
Product name : 42D0501

8Gb FC, PCI Express x4, IBM System x

Lenovo 42D0501 network card Internal Fiber 8704 Mbit/s:

**QLogic - 8Gb FC Single-port HBA for IBM System x**  
The QLogic 8 Gb Fiber Channel host bus adapters (HBAs) for IBM System x are part of a family of high-performance 8 Gb HBA solutions. These HBAs deliver exceptional performance, enabling small and medium businesses to experience unsurpassed robustness and reliability for a wide spectrum of server, storage, and SANs.

**Designed For:**  
System Storage DS3400; System x3100 M4; x3200 M2; x3250 M2; x3250 M3; x3250 M4; x3300 M4; x3350; x3400; x3450; x3500; x3550; x3550 M2; x3620 M3; x3630 M3; x3630 M4; x3650; x3650 M2; x3650 M4 HD; x3655; x3755; x3850 M2; x3950 M2; x3950 X5.  
Lenovo 42D0501. Internal. Connectivity technology: Wired, Host interface: PCI Express, Interface: Fiber. Maximum data transfer rate: 8704 Mbit/s. Product colour: Green

| Ports & interfaces                |                                                                                                                                                                                                                 | Design              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |  |
