HP LaserJet M110w Printer:

Prints efficiently. Fits anywhere. An efficient, high-quality laser printer that fits your space and budget. Get fast printing from HP's smallest laser in its class,^[1] plus the time-saving HP Smart app.^[2,3] Count on professional-quality laser printing and seamless setup.

Dynamic security enabled printer Certain HP printers are intended to work only with cartridges that have a new or reused HP chip or electronic circuitry. These printers use dynamic security measures to block cartridges using a non-HP chip or electronic circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP chips and electronic circuitry enable the use of reused, remanufactured, and refilled cartridges.
