Arabian Foal

schleich HORSE CLUB Arabian Foal:

The petite Arabian Foal is very pretty. No wonder, with those beautiful parents. The Arabian Stallion and the Arabian Mare (both sold separately) are very proud of their little foal. Although it is still so small, it already has the grace of its parents. But it is still really playful. Just like any foal, it loves to romp around the pasture all day. Who wants to join in?

Something's going on back there! The little Arabian Foal certainly doesn't want to miss it! Although it comes from the most noble breeding stock, the little thoroughbred doesn't have the slightest desire to behave like nobility. On the contrary, the Arabian Foal is extremely curious and playful. That's why it pricks up its little ears attentively and has already trotted off for an adventure. On long legs it gallops across the pasture. It looks so graceful that it is sure to become a successful racehorse one day.
