Otter

schleich WILD LIFE Otter:

The schleich® otter enjoys belly rubs, bubble baths, shrimp scampi, and a good story. Plays "Marco Polo" with the schleich® beaver. Tends to show-off for crowds. Cute? You betcha! Be careful, though"...bring home a schleich® otter today and you might notice your goldfish crackers disappearing.

Any moment now, the otter will jump back into the water to hunt for fresh fish. It loves fresh fish more than anything. It's such a good swimmer that it catches its prey effortlessly. The otter's thick oily pelt protects it from the cold in the water - the water simply runs off. I'm pretty sure it also wants to try out your bathtub!
